ACKNOWLEDGEMENTS

The staff of the Kansas State Library wishes to thank all of the public librarians, public library staff members and regional systems staff members who patiently completed the Annual Library Statistical Reports and promptly submitted them to the State Library.

Thanks also to Jana Green of the State Library staff who typed and proofread the results of the compilation of the statistics as they came off the compiler's foolscap.

Without the able assistance of these public-spirited Kansans, the following information would not be possible.

The State Library appreciates the value of these statistics for the purposes of evaluation and planning of library service and, eventually, for the historical perspective they will help to give. But of greater human significance, we recognize that these figures represent work, dedication and inspired service by librarians and trustees for, and in response to the investment of, the citizens of Kansas.

INTRODUCTION

LOCAL PUBLIC LIBRARIES

Information presented in this volume was derived from the 1985 Kansas Annual Library Statistical Reports submitted to 318 public libraries in Kansas. The purpose in publishing this analysis is not only to comply with K.S.A. 12-1225 which requires libraries to provide the requested data but also to furnish librarians, library administrators and trustees and other interested persons with information organized to facilitate comparisons of libraries within the library systems, with comparable service populations and with comparable expenditures.

This analysis is divided into six categories for public library statistics: 1) Support; 2) Expenditures; 3) Resources-1 (concerning hours and volumes owned); 4) Resources-2 (regarding non-book library holdings and interlibrary loans); 5) Circulation; and 6) Personnel. A seventh section supplies similar information for the seven regional systems of cooperating libraries in Kansas.

The most recent total population figure for Kansas certified by the Secretary of State is 2,438,000. The L.S.C.A. Long-Range Program, 1986-1990, defines those unserved by libraries as persons living in areas of the state "outside cities or towns having libraries, in counties without a county library tax, or in areas not taxes by regional library systems". Of the total population of Kansas, only 10,318 remain unserved.

A total of 1,878,998 persons were served by the 311 legally established public libraries in Kansas during 1985. Regional systems of cooperating libraries extended service to 548,684 rural patrons in 94 participating counties.

FUNDING

Support:	Local Taxes	$19,684,766
	State Grants-in-Aid	406,700
	Fed. Grants-in-Aid	319,550
Per Capita Support:		
	Local	$8.07
	State	.17
	Federal	.13
Expenditures:		
	Library Materials	$ 3,854,111
	Salaries	13,046,535
	Other operations	6,781,133
Balance forward to 1986:		3,125,135

Per Capita Expenditures: $12.60

LIBRARY MATERIALS

Public libraries in Kansas owned 7,069,629 volumes in their collections at the end of 1985. During the year 369,575 volumes were added to these collections.

The reporting libraries indicated that they held 40,242 periodical titles and 195,225 recordings in 1985. A new category for videotapes was established in the annual statistical report during the year -- public libraries now hold 1,837 videos. The State Film Center owned approximately 1,700 titles during the past year. Combined audio-visual materials in city, county, township and district libraries totaled 11,638.

SERVICES AND CIRCULATION

Registered borrowers are reported as 981,367, a misleading figure since many smaller libraries do not register borrowers. "Friends of the Library" groups have formally organized for 62 Kansas public libraries, and numerous libraries indicate that groups are in the process of forming.

Kansas public libraries were open a total of 9,106.5 hours per week during 1985.

A total of 13,380,290 items were circulated during 1985 (about seven items per capita). Of this amount, 61,546 items were sent via interlibrary loan and 59,003 bulk loans were made. Public libraries received 403,409 rotating books from the headquarters of those regional systems providing rotating book service.

CONSTRUCTION

New library buildings have been constructed in Mound City and Garden City. The Seneca branch library was remodeled and opened in Wichita. Additions were constructed in Troy, Paola, Valley Falls, Oskaloosa, Hutchinson, Lyons, Ulysses, Hugoton, Tribune and Fowler. Major construction projects have been undertaken by Hoxie, Leavenworth, Kingman, and Goddard. Many public libraries report that remodeling projects have been completed. Numerous public libraries across the state have worked hard raising money for construction projects or as matching money for Title II, Library Services and Construction Act (L.S.C.A.) funds. Many of the responding libraries report plans for additions or remodeling projects.

REGIONAL SYSTEMS OF COOPERATING LIBRARIES

Central Kansas Library System

The Central Kansas Library System has 53 legally established public libraries, three school libraries, two college or university libraries and one club library. The library at Burdett is operated by a civic club. CKLS also has 15 service outlets.

North Central Kansas Library System

The North Central Kansas Library System has 37 legally established public libraries, two college or university libraries, one nonparticipating library and nine service outlets. Hartford levies a library tax for library operations but has never been formally organized.

Northeast Kansas Library System

The Northeast Kansas Library System has 42 legally established public libraries, five college or university libraries and one nonparticipating library. The library at Melvern is operated by a civic club. The library at Basehor began operation as a legally established library and joined the system in 1985.

Northwest Kansas Library System

The Northwest Kansas Library System has 19 legally established public libraries, two club libraries, seven school libraries, one college library, three nonparticipating libraries and four service outlets. The libraries at McDonald and Clayton are operated by civic clubs.

South Central Kansas Library System

The South Central Kansas Library System has 71 legally established public libraries, 30 school libraries, 17 college or university libraries, three nonparticipating libraries and four service outlets. The library at Cunningham began operation and joined the system during 1985.

Southeast Kansas Library System

The Southeast Kansas Library System has 57 legally established public libraries, 42 school libraries, seven college libraries and 11 service outlets.

Southwest Kansas Library System

The Southwest Kansas Library System has 37 legally established public libraries, 25 school libraries, four college or university libraries, 10 nonparticipating libraries, one club library and one library operated through an endowment. The Gray County Library District, a legally established library, operates through the Cimarron City Library by contract, but because separate statistics are not maintained the statistics for Cimarron City Library reflect both library taxing areas. The library at Spearville is oeprated by a civic club and the library at Belpre operates through an endowment from Henry Laird. During 1985 the library at Kismet began operation as a legally established library and joined the system.

FUNDING

Support:	System Taxes	$3,284,869.00
	State Grants-in-Aid	181,562.50
	Fed. Grants-in-Aid	181,562.50
	Other	293,226.77
Expenditures:		$3,982,157.21

RESOURCES

A total of 278,549 volumes were owned by systems at the end of 1985. The systems added 19,127 volumes during the year, owned 13,187 large print books and paid for 270 periodical subscriptions. At the end of the year 4,580 recordings were among system holdings.

CIRCULATION

Total books and nonbook library materials circulated by the seven systems during 1985 numbered 897,548 items. To supplement their own collections, 591,157 rotating books were distributed to public libraries, school libraries, college and university libraries and service outlets. About 12,045 rural patrons in 62 counties received books by mail from the headquarters of the regional systems providing mail-a-book service.

WORKSHOPS

During 1985 the regional systems of cooperating libraries produced 42 workshops, presented 55 times, on various library-related topics to 1711 librarians, trustees and interested citizens.

PERSONNEL

The systems have 20 employees with M.L.S. degrees and 28 with bachelors or other post-graduate degrees. The average starting salary for an M.L.S. with no experience is $14,244.

DIRECTORY OF PUBLIC LIBRARIES

This list of public libraries in Kansas contains the library's address, phone number, name of the librarian, the county in which the library is located, the system of which the library is a member, and the type of library (city and class, county, district, township or regional.) Non-public libraries are so identified.

Legend

L - Librarian's Home Telephone Number
NP - Not Participating in a System
C/1, 2 or 3 - City and Class
Co - County
D - District
T - Township
R - Regional

SPECIAL NOTES

Whenever adding up the number of legally established public libraries, always add one to the number of towns. Gray County Library District, while legally established as a county library and operating with a full complement of five library board members, contracts with the Cimarron Public Library to provide service to the county residents. On paper, however, it is "invisible." The taxing district of the Gray County Library District is that of the county less the populations of Cimarron, Copeland and Montezuma Township.

Two libraries are established as both city and township libraries. The libraries in Colwich and Mount Hope have 12 board members (seven for the city library and five for the township library).

There are two regional libraries. One is the Coldwater-Wilmore Library, in Comanche County. The other is the Pottawatomie-Wabaunsee Regional Library in St. Marys. The budget for Coldwater is filed on a seperate form. The budget for the regional library at St. Marys is found in the county budgets of both Pottawatomie and Wabaunsee Counties. In determining the legal population of the regional library at St. Marys, deduct from the county population of Pottawatomie County the population of the City of Wamego (where there is a legally established city library) and part of Manhattan (which is taxed to support the library in Manhattan). Add to this figure the population of Wabaunsee County.

The taxing district of the Coldwater-Wilmore Regional Library is that of Avilla Township, Coldwater Township (including the City of Coldwater), Powell Township (including the City of Wilmore).

The following district libraries have been established and are operating in Kansas as of March 1986:

Allen (Library District #1, Lyon Co. a/k/a North Lyon Co. Library)
Basehor (Library District #2, Leavenworth Co.)
Blue Mound (Library District #3, Linn Co.)
LaCygne (Library District #2, Linn Co.)
Linwood (Library District #1, Leavenworth Co.)
Louisburg (Library District #1, Miami Co.)
Parker (Library District #1, Linn Co.)
Troy (Library District #1, Doniphan Co.)

In determining the population of the taxing districts of the district libraries, the county clerks of Leavenworth and Miami Counties must provide those figures for the libraries in Basehor, Linwood and Louisburg because the taxing district boundaries are eccentric and do not conform to normal township lines.

The taxing district of the district library in Allen is that of Agnes City, Ivy and Waterloo Townships.

The taxing district of the district library in Blue Mound is that of the City of Blue Mound and the remainder of Blue Mound Township.

The taxing district of the district library in LaCygne is that of the City of LaCygne and the remainder of Lincoln Township.

The taxing district of the district library in Parker is that of the City of Parker and the remainder of Liberty Township.

The taxing district of the district library in Troy is that of the Townships of Burr Oak, Center, Independence, Iowa, Marion, Union and Washington. (Because the library has joined the Northeast Kansas Library System, the remaining townships in the county -- Wayne and Wolf River -- will be taxed for the regional system tax.)

The population of the taxing district of the Johnson County Library is the county population less the population of Olathe (where there is a city library).

The population of the taxing district Kansas City Public Library (U.S.D. #500 plus Wyandotte Co.) is the county population less the population of Bonner Springs (where there is a city library).

The population of the taxing district of the Hamilton County Library is the county population less the population of Coolidge (where there is a city library).

Lyon County levies a county library tax and distributes it among the libraries in Allen, Americus, Hartford and Emporia. The city of Hartford annually levies a one mill tax to support its library but the library has never been legally established and is ineligible for State Aid.

The libraries in Athol and Gaylord, both in the Central Kansas Library System, although considered system members by CKLS, rarely cooperate in any way with the State Library.

For a number of years the directors of the South Central Kansas Library System have operated under the belief that Conway Springs and Haven are members of the system but this is not so. Neither has ever petitioned the State Library Advisory Commission to join the system.

The libraries in Ellinwood and St. John are merged with the school libraries in those cities.

The library levy for the Wichita Public Library is a "shared" levy since the park and museum boards also operate from the same levy. Wichita Public Library is responsible for providing budget data to prove eligibility for State Aid.
